A RESOLUTION SUPPORTING THE DECRIMINALIZATION OF MARIJUANA AND CREATING A TASK FORCE TO MINIMIZE ENFORCEMENT FOR POSSESSION OF MARIJUANA FOR PERSONAL USE

WHEREAS, as a country, the United States spends billions of dollars each year enforcing marijuana laws; and,

WHEREAS, this enforcement has not had an impact on marijuana usage and has created additional costs for communities and individuals; and,

WHEREAS, an arrest for possession of marijuana can have an impact on housing, student loans, future employment, child custody determinations and many other circumstances; and,

WHEREAS, data shows that marijuana usage is roughly equal among whites and blacks in the United States, but blacks are 3.64 times more likely to be arrested for marijuana possession as whites; and,

WHEREAS, according to a 2020 ACLU report, the state of Iowa had one of the greatest disparity in arrest rates for marijuana possession between blacks and whites, with blacks being over seven times more likely to be arrested than whites.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DES MOINES, IOWA as follows:

That the City Council believes that enforcement of marijuana possession for personal use should be the lowest enforcement priority for Des Moines police officers. To implement this position, the City Council hereby creates a six-person volunteer task force consisting of one person appointed by the City Attorney; one member of the Civil and Human Rights Commission; an attorney jointly selected by the NAACP, ACLU and CCI; an attorney with experience in criminal defense matters selected by the City Council; an individual with background in community availability of substance abuse treatment services and resources, and a member of the community with demonstrated interest and involvement in these issues selected by the City Council. The police department shall make a qualified person available for consultation with the task force on technical matters. The City Council selects Gary Dickey Jr. to serve on the task force as the attorney with criminal defense experience and appoints him as the chair of the task force and selects Billy Weathers as the community member of the task force. The task force shall provide recommendations to the Council regarding:
